Independent Auditors' Report

To the Board of Directors
Union Community Action Association, Inc.
Farmerville, Louisiana

We have audited the accompanying statements of financial position of Union Community Action Association, Inc. as of June 30, 2009 and 2008, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of Union Community Action Association, Inc.'s management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Union Community Action Association, Inc. as of June 30, 2009 and 2008, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated December 14, 2009, on our consideration of Union Community Action Association, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audits.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements of Union Community Action Association, Inc. taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

The accompanying supplemental schedules shown on pages 11 – 12 are presented for the purpose of additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

(1) Summary of Significant Accounting Policies

A. Nature of Activities

Union Community Action Association, Inc. (Union) is a private non-profit corporation incorporated under the laws of the State of Louisiana. Union is governed by a Board of Directors composed of 15 members. These board members receive no compensation for their services.

Union operates as a community action agency administering various federal and state funded programs designed to provide assistance to the poor and disadvantaged in Union parish in Louisiana. The following programs, shown with their approximate percentage of total revenues, are administered by Union:

WIA Adult Program (15%) – Prepares adults for participation in the labor force by increasing their occupational and educational skills. Funding is provided by Workforce Investment Act federal funds passed through the Louisiana Department of Labor.

WIA Youth Program (34%) – Improves the long-term employability of youth; enhances the educational, occupational, and citizenship skills of youth; encourages school completion or enrollment in alternative school programs; increases the employment and earnings of youth; and reduces welfare dependency. Funding is provided by Workforce Investment Act federal funds passed through the Louisiana Department of Labor.

WIA Dislocated Worker Program (10%) – Establishes an early readjustment capacity for dislocated workers by providing comprehensive coverage to workers regardless of the cause of dislocation; providing early referral from the unemployment insurance system to adjustment services as an integral part of the adjustment process; and fostering labor, management and community partnerships with government in addressing worker dislocation with an emphasis on retraining and reemployment services rather than income support. Funding is provided by Workforce Investment Act federal funds passed through the Louisiana Department of Labor.

Migrant Education (15%) – Provides assistance to establish or improve programs designed to meet the special educational needs of migratory children of migratory agricultural workers or migratory fishers. Funding is provided by federal funds passed through the Louisiana Department of Education.

Community Services Block Grant (5%) – Administers programs designed to provide services and activities that will have a measurable impact on causes of poverty in the community. Funding is provided by federal funds passed through the Louisiana Department of Labor.

Strategies to Empower People (Step) (6%) – Provide STEP clients with job readiness activities to facilitate their movement toward self-sufficiency through the use of a structured training and assessment program aimed at generalized job readiness skills. Funding is provided by federal funds passed through the Louisiana Department of Labor.

Home Energy Assistance (14%) — Assists low income households offset the burden of high energy costs. Funding is provided by federal funds passed through the Louisiana Housing Finance Agency and the Louisiana Association of Community Action Partnerships, Inc.

Emergency Program (1%) — Provides various types of assistance payments in areas of high need through out the community to persons based upon their employment or poverty status. Funding is provided by federal funds from the Federal Emergency Management Agency.

B. Basis of Accounting

The financial statements of Union have been prepared on the accrual basis of accounting.

C. Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

D. Income Tax Status

Union is a non-profit corporation and is exempt from state and federal income taxes under Section 501 (c)(3) of the Internal Revenue Code. However, income from certain activities not directly related to Union's tax-exempt purpose is subject to taxation as unrelated business income. Union had no such income for this audit period.

E. Use of Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported revenues and expenses. Actual results could differ from those estimates.

F. Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, Union considers all unrestricted highly liquid investments with an initial maturity of six months or less to be cash equivalents, when there is no significant penalty for early withdrawal.

G. Property and Equipment

Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful life of each asset. The Federal Government has a reversionary interest in property purchased with federal funds. Its disposition as well as the ownership of any proceeds there from is subject to federal regulations. Union has adopted a policy to capitalize all items with a unit cost of \$1,000 or greater.

H. Revenue and Support

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Contractual grant revenue is reported as unrestricted support due to the restrictions placed on those funds by the funding sources being met in the same reporting period as the revenue is earned.

Notes to Financial Statements

(Continued)

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

(2) Concentrations of Credit Risk

Financial instruments that potentially subject Union to concentrations of credit risk consist principally of temporary cash investments and grant receivables.

Concentrations of credit risk with respect to grant receivables are limited due to these amounts being due from governmental agencies under contractual terms. As of June 30, 2009 and 2008, Union had no significant concentrations of credit risk in relation to grant receivables.

Union maintains cash balances at three financial institutions. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At June 30, 2009 total cash balances held at financial institutions was \$289,106. This entire amount was secured by FDIC. At June 30, 2008 total cash balances held at financial institutions was \$280,153. Of this amount, \$265,521 was secured by FDIC and \$14,632 was collateralized by pledged securities.

(3) Grant Receivables

Various funding sources provide reimbursement of allowable costs under contracts or agreements. These balances represent amounts due from funding sources at June 30, 2009 and 2008, but received after that date.

(4) Due To and Due From Other Funds

The following schedule represents amounts due to and due from other funds at June 30, 2009:

Depreciation expense for the year ended June 30, 2008 was \$15,150.

(6) **Refundable Advances**

Union records federal funds received in excess of expenditures as a refundable advance until they are expended for the purpose of the contract or until the funds are returned to the appropriate funding source.

(7) **Accrued Liabilities**

Accrued liabilities at June 30, 2009 and 2008 consisted of the following:

	2009	2008
Accrued annual leave	\$ 56,651	\$ 56,651

(8) Contractual Revenue – Grants

During the years ended June 30, 2009 and 2008, Union received contractual revenue from federal and state grants in the amount of \$2,007,723 and \$1,649,685, respectively. The continued existence of these funds is based on annual contract renewals with various funding sources.

(9) Retirement Plan

Effective January 1, 2005, Union adopted a 401(k) Profit Sharing Plan. Union contributes 4% of the employees' compensation and the employees may contribute up to the maximum percentage allowable by law. The amount contributed by Union for the years ended June 30, 2009 and 2008 was \$19,593 and \$19,848, respectively.

(10) Leases

Union leases certain buildings and equipment under operating leases. Rental costs on those leases for the years ended June 30, 2009 and 2008 were \$53,842 and \$41,329, respectively.

Commitments under lease agreements having initial remaining terms in excess of one year are as follows:

For the Year Ending <u>June 30,</u>	
2010	\$ 5,046
2011	4,566
2012	<u>2,606</u>
Total minimum future rentals	<u>\$ 12,218</u>

(11) Contingency

Employees of Union are entitled to paid sick days, earned at the rate of one day per month of full time employment. It is reasonably possible but not certain that sick leave will be paid in the future; accordingly, no liability has been recorded in the accompanying financial statements. Union's policy is to recognize the costs of sick leave benefits when actually paid to employees. Upon an employee's resignation, lay-off, or death, no pay will be granted for any earned sick leave. Union estimates the liability for sick leave earned by employees but not yet taken as of June 30, 2009, to be approximately \$225,171.

(12) Subsequent event

Subsequent events have been evaluated through December 14, 2009, the date the financial statements were available to be issued.

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on An Audit of Financial Statements Performed in Accordance With Government Auditing Standards

To the Board of Directors
Union Community Action Association, Inc.
Farmerville, Louisiana

We have audited the financial statements of Union Community Action Association, Inc. (a nonprofit organization) as of and for the year ended June 30, 2009, and have issued our report thereon dated December 14, 2009. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Union Community Action Association, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Union Community Action Association, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of Union Community Action Association, Inc.'s internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. However, as discussed below, we identified a certain deficiency in internal control over financial reporting that we consider to be a significant deficiency.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects Union Community Action Association, Inc.'s ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of Union Community Action Association, Inc.'s financial statements that is more than inconsequential will not be prevented or detected by Union Community Action Association, Inc.'s internal control. We consider the deficiency described in the accompanying schedule of findings and questioned costs as item 2009-B1 to be a significant deficiency in internal control over financial reporting.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by Union Community Action Association, Inc.'s internal control.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses. However, we believe that the significant deficiency described above is not a material weakness.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Union Community Action Association, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Union Community Action Association, Inc.'s response to the finding identified in our audit is described in the accompanying schedule of findings and questioned costs. We did not audit Union Community Action Association, Inc.'s response and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of management, the Board of Directors and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Report on Compliance With Requirements Applicable to Each Major Program and on Internal Control Over Compliance in Accordance With OMB Circular A-133

To the Board of Directors
Union Community Action Association, Inc.
Farmerville, Louisiana

Compliance

We have audited the compliance of Union Community Action Association, Inc. with the types of compliance requirements described in the *U. S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that are applicable to each of its major federal programs for the year ended June 30, 2009. Union Community Action Association, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of Union Community Action Association, Inc.'s management. Our responsibility is to express an opinion on Union Community Action Association, Inc.'s compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Union Community Action Association, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on Union Community Action Association, Inc.'s compliance with those requirements.

In our opinion, Union Community Action Association, Inc. complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended June 30, 2009.

Internal Control Over Compliance

The management of Union Community Action Association, Inc. is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered Union Community Action Association, Inc.'s internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Union Community Action Association, Inc.'s internal control over compliance.

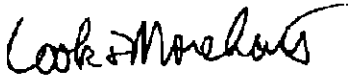

A control deficiency in an entity's internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect noncompliance with a type of compliance requirement of a federal program on a

timely basis. A *significant deficiency* is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to administer a federal program that such that there is a more than a remote likelihood that noncompliance with a type of compliance requirement of a federal program that is more than inconsequential will not be prevented or detected by the entity's internal control.

A *material weakness* is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected by the entity's internal control.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of management, the Board of Directors and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

9. Union Community Action Association, Inc. did not qualify as a low-risk auditee.

B. Findings – Financial Statements Audit:

2009-B1 SIGNIFICANT DEFICIENCY

Deficiency: As is common in small organizations, management has chosen to engage the auditor to propose certain year-end adjusting journal entries and to prepare their annual financial statements. This condition is intentional by management based upon the Agency's financial complexity, along with the cost effectiveness of acquiring the ability to prepare financial statements in accordance with generally accepted accounting principles. Consistent with this decision, internal controls over the preparation of year-end adjusting entries and annual financial statements, complete with notes, in accordance with generally accepted accounting principles, have not been established. Under generally accepted auditing standards, this condition represents a significant deficiency in internal controls.

Recently issued Statement on Auditing Standards (SAS) 112 requires that we report the above condition as a control deficiency. The SAS does not provide exceptions to reporting deficiencies that are adequately mitigated with nonaudit services rendered by the auditor or deficiencies for which the remedy would be cost prohibitive or otherwise impractical.

Schedule of Findings and Questioned Costs
June 30, 2008
(Continued)

Recommendation: As mentioned above, whether or not it would be cost effective to cure a control deficiency is not a factor in applying SAS 112's reporting requirements. Because prudent management requires that the potential benefit from an internal control must exceed its cost, it may not be practical to correct all the deficiencies an auditor reports under SAS 112. In this case we do not believe that curing the significant deficiency described above would be cost effective or practical and accordingly do not believe any corrective action is necessary.

Management's Response: Union Community Action Association, Inc. concurs with the finding and recommendation.

C. Findings and Questioned Costs – Major Federal Award Programs Audit: None.
